3 P.M.

My dear Sam.

I am just in from Haverford Delaw. Co. having gone thro' in an early train from Atlantic City this a.m. to attend the funeral of Harry Smith's grandmother — and have your letter of 19th inst. My last copied letter to you is of the 8th but I acknowledged briefly those of 5th 7th and 8th and do not know that there is much, on business, to say in addition — beyond the fact that I had a meeting with Mr. Burnham and Mess. P. J. & T. Corbin on 24th when I read and explained the effect of your reports presented to Board and Stockholders on 6th & 7th inst. - and explained your telegrams and letters of subsequent date. There is nothing to do but to pursue the developments as you suggest, to Sept 1st and then - or earlier if possible decide what to do.

I will write you to-morrow more fully all as well as usual. Our office by Yr. father
